## Dave Zabriskie's Calling YOU out!

Have ever watched the Tour Day France and thought, "I can take him". Ok, me either....but maybe you've watched a race at some point and thought, "I can hang with him." Tomorrow's your chance if you live in or near the state of Utah.

As part of the [Bikes for Kids Utah](#), current USA Time Trial Champion, [Dave Zabriskie](#) will race YOU, big talker. Yup, that's right. Bring your trash talkin' and give it a go. For \$75, which goes to this great organization, you can race Dave on a USA Cycling sanctioned time trial course. Is there a catch? No...except that it is up Salt Lake's Traverse Ridge (that to me says "mountain").

Dave's ready. Are you?!

If that's a stretch for you...'cause it is for me....you can participate in [Bikes for Kids Utah on Saturday](#) with Dave, too. There's a 5K family ride and a 50K with Dave and a metric century at 100K. Hopefully, it will be a nice fall day for a ride. Go on out and join 'em. I've only been in contact with Dave once...he visited our booth at Interbike in '06 (no not to see me...to say 'hey' to Bob Roll). He seemed very, very nice - I'm sure he'll be fun to ride with.

So, what is Bikes for Kids Utah? You can read all about them [here](#), but basically they are an organization that started last year to provide "disadvantaged children with free bicycles as an inexpensive and fun way to get to school and as a hobby that helps them exercise as well as learn responsibility and safety."

The organization teaches them about bike safety, rules of the road and the importance of regular exercise. Last year they gave away....are you ready for this....[they gave away 1,000 bikes!](#) They are aiming to do so again this year. Amazing.

Kryptonite has been a [proud supporter](#) of this event the last two years. Seriously - kids, bikes and safety...it's a great thing for all involved.

Welcome to Kryptonite's blog. Please feel free to stop, visit and chat....when you aren't out and about having a great adventure, that is.

Donna, you are awesome! Dave was amazing! He raced up Traverse Ridge in 14 min and 3 sec. He was smokin' and the next best time was over three min. behind him. Next year you'll have to come out and watch him for yourself... hey, you might even take a gander at racing the poor boy;-)
